Mr. Howland Wood, Curator
American Numismatic Society
156th Street, West of Broadway, New York.

Dear Sir:

You may perhaps know that A. S. DREY of Munich, one of the leading art firms on the Continent and the oldest in Germany, now has a branch in New York City at 680 Fifth Avenue. The firm of A. S. DREY is well known to many of the large museums and private collectors in the United States, in whose collections are included old paintings and important works of art acquired through them in years past.

I should indeed be pleased to have you, as well as any other members of your Museum, visit me whenever you are in the neighborhood and hope I may have the pleasure of meeting you in the near future.

Very truly yours,

A. S. Drey
